

Help Plan the Future of Land Use in the City of Marysville!

Since its adoption in January 1999, the city has relied on the Union County Comprehensive Plan to guide development. However, in recent years the city has seen unprecedented growth. To ensure this growth reflects the vision for the City of Marysville, a city specific comprehensive land use plan is now needed.

This comprehensive land use plan will be the City's primary planning guide and will be utilized to make decisions regarding development, redevelopment, capital improvements, economic incentives and other matters impacting the lives of our residents and corporate citizens.

We want and value your input! We need to hear from you to ensure that key priorities are included as we plan for the future.

Please plan to attend one of two open houses to participate in a variety of hands-on vision development activities:

12:00 – 2:00 p.m.

Wednesday, April 29, 2009

Union County Agriculture Bldg

Buckeye Room

18000 St. Rte. 4

Marysville, Ohio

OR

5:00 - 7:00 p.m.

Wednesday April 29, 2009

Union County Agriculture Bldg

Buckeye Room

18000 St. Rte. 4

Marysville, Ohio

These Open Houses are a key step in developing the City of Marysville's Comprehensive Land Use Plan. The Open Houses will give residents a unique opportunity to provide comments and opinions about the City of Marysville's current needs and its future opportunities. Participants will be able to review information drafted to date and provide valuable feedback for consideration in the Plan.

For additional information, please contact Greg DeLong at 937-645-1034.
