ELECTRICIAN LICENSING
CODIFIED ORDINANCE CHAPTER 705

An Electrical license is required when any contractor or person desiring to conduct, carry on or engage in the business of repair, reconstruct or install electrical wiring in any residential property, or in any other building within the City.

Prior to the issuance of the license, the applicant shall post with the Director of Administration, a bond in the sum of one thousand dollars (\$1,000) payable to the City, signed by the applicant and two personal sureties or one corporate surety to the satisfaction of the Director and conditioned among other things upon the faithful compliance with all ordinance and regulation by such applicant-obligor to be complied with and upon such applicant-obligor's saving the City harmless from damages or loss arising or incurred by the City, by reason of applicant-obligor's failure to comply with pertinent ordinance or regulations or State laws as provided for in the Ohio Basic Building Code, or by reason of the negligence of the obligor or his agents or employees. Each bond posted shall first be approved in writing by the Director before the license applied for shall be issued. Licenses hereunder shall be issued for the term of one year only, renewable annually. The initial fee or the annual renewal for any license hereunder shall be as follows:

Contractor with up to five employees (including himself):	\$10.00
Contractor with over five employees (including himself):	\$25.00
