CITY OF MARYSVILLE INDIVIDUAL INCOME TAX RETURN INSTRUCTIONS

Additional Forms Available
at www.marysvilleohio.org

WHO MUST FILE: Filing is mandatory. Therefore, all Marysville residents (including part year residents) eighteen years of age and older must file a City of Marysville Income Tax Return. Non-resident taxpayers (any person or unincorporated business) having derived income within the City, and for whom the tax is not withheld by their employer, are required to file a city return. If a person is under 18 and employed with Marysville city tax withheld, a return must be filed, with proof of age, to receive a refund. Anyone receiving a preprinted form is on active status. Please notify this office in writing with full details if your status has changed and your account should be inactive.

DECLARATION OF EXEMPTION RETURN: To meet mandatory filing requirements, this form must be filed in lieu of the tax return - **ONLY BY THOSE INDIVIDUALS WHO QUALIFY.** (See instructions on enclosed form.)

FILING STATUS: Taxpayers who prepare their federal and state tax returns using the "married filing separate" status to lower their overall tax liability may still file a joint return for the City of Marysville. Filing a joint return will neither increase nor decrease your City of Marysville tax liability.

WHEN AND WHERE TO FILE: This return must be filed on or before April 15th. Make checks or money orders payable to the **City of Marysville and mail to the Income Tax Division, PO Box 385, Marysville, Ohio 43040-0385.**

EXTENSION OF TIME TO FILE: If the deadline cannot be met, a copy of the Federal request (or Confirmation # from telefile), a copy of our extension request form or a letter requesting an extension which includes name, address, social security or federal tax identification number **MUST BE FILED WITH THE INCOME TAX DIVISION BY THE ORIGINAL DUE DATE OF THE RETURN.** An extension request is not an extension of time to pay. Payment of any estimated tax due should accompany the extension request. If no extension is filed, penalty and interest charges will apply. A copy of the extension request should also be attached to the return when it is filed.

TAX CREDIT: Every individual resident taxpayer who has paid a municipal income tax to another Municipality shall be allowed a credit for the tax imposed by that municipality which shall not exceed one-half of the lesser of the amount due to the City of Marysville or one-half of the amount paid to the other Municipality. See Line 12 on the Income Tax Return for the Tax Credit Limit. Part-year residents must prorate credit.

PARTIAL YEAR RESIDENTS: If you only lived in Marysville during part of the taxable year, you must file a tax return covering that time. Report the amount of income you earned while you lived in Marysville. Pay statements with year-to-date figures or a statement from your payroll department must be used if available. When the actual amount you earned while living in Marysville cannot be determined, you may break down your earnings by the number of months employed at the job arriving at a monthly earnings figure. Use the monthly earnings figure multiplied by the number of months of residency to find your taxable amount. If you pro-rate your income, you must also pro-rate your city tax that was withheld on the same income. Attach a worksheet explaining your calculations.

ESTIMATED TAX PAYMENTS: Every person who anticipates any taxable income which is not subject to withholding of income tax or who engages in any business, profession, enterprise or activity subject to Marysville taxation shall file and pay estimated tax, if the amount of tax estimated is \$100 or more. Such payments are due on April 15, July 31, October 31, and January 31 of the following year. The first estimated tax form is found at the bottom of the income tax return. Estimated payment vouchers have been provided for the 2nd, 3rd and 4th quarters. A declaration and payment of estimated

tax which is less than ninety percent (90%) of the tax shown on the final return, or less than one hundred percent (100%) of the previous year's tax, shall not be considered in good faith and the difference shall be subject to penalties and interest.

SIGNATURE: Do not fail to sign and date your return. A tax return is not legally filed until signed by the taxpayer or a legally authorized agent.

PENALTIES AND INTEREST: Penalty and interest for late payment or underpayment of estimated tax, shall be imposed at the rate of 10% penalty and 24% interest (2% per month or fraction thereof) as provided by the ordinance. No penalty for failure to pay estimated tax will apply to an entity (individual, corporate, or association) whose tax for the year, after credit for tax withheld, is less than \$100.

PAYMENTS UNDER ONE DOLLAR: Payments of less than one dollar and one cent (\$1.01) of net tax due are not required to be paid, nor will refunds of less than one dollar and one cent (\$1.01) be made.

TAXABLE INCOME: Items included in taxable income are listed on the reverse side.

Taxable wages are calculated before **ANY DEDUCTION.** Wages for city tax purposes may differ from the Federal wages reported on your W-2. Use Box 5 (Medicare Wages), from your Form W-2s. If Box 1 or 18 is larger, contact our income tax office. City taxable wages include all wages that may be deferred or excluded from Federal and State wages. Treat disability income as wages unless it is received from Worker's Compensation, Social Security or from insurance paid by you. Passive activity losses are deducted the year incurred: carry forwards are not allowed for city tax purposes. Income from intangibles (interest and dividends you received) are not taxable.

NON-TAXABLE INCOME: Items not included in taxable income are listed on the reverse side.

EMPLOYEE BUSINESS EXPENSES: Employee business expenses, as defined on Federal Form 2106, may be deducted against income subject to city taxation. If income is allocated between cities, 2106 expenses should likewise be allocated, and tax credit reduced accordingly. Federal Form 2106 **MUST** be included with return.

UNINCORPORATED BUSINESS ACTIVITY: The net loss from an unincorporated business activity may not be used to offset salaries, wages, commissions or other compensation. However, if a taxpayer is engaged in two or more taxable business activities to be included on the same return, the net loss of one unincorporated business activity, except any portion of a loss separately reportable for municipal tax purposes to another taxing entity, may be used to offset the profits of another for purposes of arriving at overall net profits.

CHANGE IN TAX LIABILITY: An amended tax return is required within three months of the determination of any changed tax liability resulting from a Federal Audit, Judicial Decision or other circumstance.

PROPER ATTACHMENTS: All income earned must be supported by copies of all applicable Federal Schedules, W-2's, 1099's or other substantiating documents and must be attached to the return when it is filed. Any return received without all of the applicable schedules and attachments will be marked "INCOMPLETE" and returned to the taxpayer. Completed returns must be received by April 15th (postmarked April 15th) to avoid interest and penalty charges.
