Memorial Tree Program

In an effort to beautify the City of Marysville, and to honor or memorialize a citizen, the Marysville Parks and Recreation Commission has adopted the following Memorial Tree Program:

- Donors will be responsible for purchase of tree and plaque.
- City crews will pick up trees that are purchased from any nursery within an approximate ten mile radius of Marysville. Any tree purchased outside this area must be delivered between September 8th and 15th. (No Saturday or Sunday deliveries)
- The trees are to be one and a half inches to two inches caliper, and may be balled and burlaped or in 15 gallon containers.
- Memorial trees will be planted in any of the following areas: Eljer Park, Greenwood Park, and along Jim Simmons Trail. The Public Service Department will provide a map for the best location where they have the best chance for survival. (See list of approved trees at bottom of page.)
- The Public Service Department will take care of the planting once per year during the month of September. All plaques shall be no larger than 6” x 10” in size, and will be secured on an 8” x 12” concrete form, provided by the Public Service Department.
- The donor may choose either of the following wording on the plaque, “**In Memory of**” or “**In Honor of**”; followed by the name of the individual.
- The City of Marysville will not be responsible for any damage that may occur to the tree or plaque and all warranties shall come from the place of purchase.

Approved Tree List
