

# Maclvor Woods

Fact Sheet

April 2018

**A Conservation Easement** is a restriction placed on a piece of property to protect its associated resources.

- The Nature Conservancy

**Humane Society Wildlife Land & Trust** owns and enforces the conservation easement which protects the Maclvor Woods property and assures it remains a sanctuary for wildlife. As an organization they enable property owners to permanently protect their property from unwanted changes to the land and disruption or destruction to the wildlife it harbors. They make periodic visits to the properties they protect and are committed to providing wildlife with safe places to live, forever.

### Statistics

- 1.2 Miles of Unpaved Nature Trail
- 57.1 Acres
- 3 Foot Bridges

Malcolm Maclvor, M.D. (1922 - 2002), long time Union County Coroner, physician and lifelong resident of Marysville is responsible for the perpetual preservation of the property now known as Maclvor Woods. For 52 years, he and his wife Barbara raised their family on the property located on the west side of Marysville. He was a master gardener and enjoyed his greenhouse and plantings of various botanicals obtained from all over the world. In 1998 he donated a conservation easement over a large portion of his property's primary woodland area to the Humane Society Wildlife Land & Trust in an effort to preserve the native flora and fauna of the land.
